1987 DEDICATION

We dedicate the 1987 Contrails to a teacher who has given more than enough of her time to the students of this school. Exercising patience, and fairness in her teaching to bring the best possible outcome for her students. Mrs. Lilah Blackwood, this we dedicate, the 1987 CONTRAILS

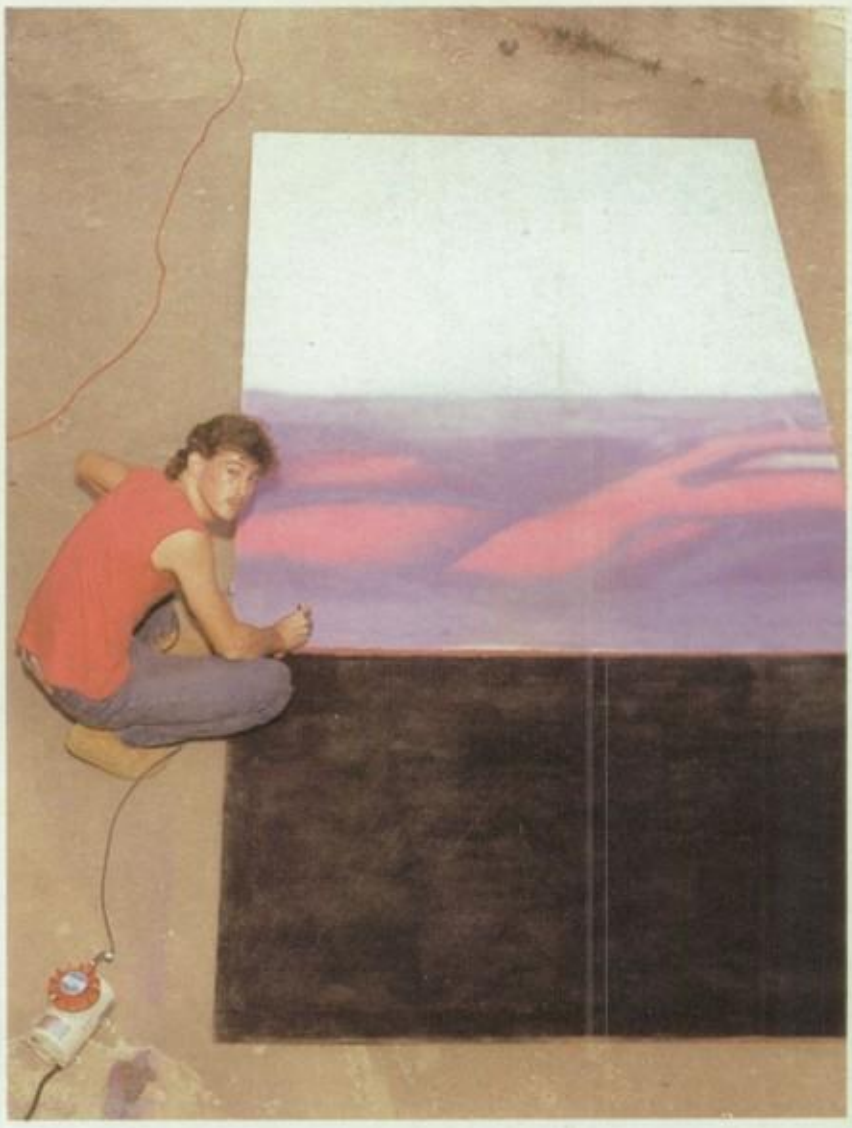
SENIORS

1987

The theme for the 1987 edition of The Contrails is "Soaring to New Heights." This theme was chosen because of the many changes Banks has undergone.

BANKS
15

Coca-Cola



During the past few years, Banks has expanded in numerous ways. The three block school that was built in 1957 is now an Alternative High School. With the school being a liberal arts/international studies program, Banks has become one of the top three schools in Birmingham.

And along with new programs have come new faces to Banks High School.

Although many things have changed at Banks, the spirit and the great tradition can never be taken away from this great school.

OVER

The tradition of Banks is rich, and for Banks just
ving 30 years to treasure, is even more
markable. Everything from academics to athletics,
nks will always be rich in all lits studies offered to
outgoing students.
We will always love the rich tradition interwoven in
st three decades at this school. As Banks
elebrates its thirtieth year, it also enters a new era
d truly is soaring to new heights.

HOMECOMING WEEK

Hats of all sizes and shapes donned the heads of Banks' students and faculty on Wednesday of Homecoming Week.

On Thursday another treat was in store in the auditorium as we watched in awe the presentation of the Homecoming Court. What lovely ladies and handsome gentlemen we have. Many session rooms were decorated for this grand occasion.

Friday was packed with various activities as we fashioned in our school colors, red and blue. A "pep rally of all pep rallies" was held in the gym. The Booster Club so graciously served us popcorn in order to remind the football team that they were going to "Pop the Colonels!"

SEPTEMBER 22-26

Friday afternoon a parade in all its grandeur passed in front of our Alma Mater creating more excitement. Friday night finally arrived. Elise Olive, Homecoming Queen of 1985, crowned our new queen, the lovely Jill Washington.

The determined mighty Jets popped the Woodlawn Colonels 6-0.

After the game, the week culminated with a dance in the gymnasium. How proud we are to be Banks Jets!

This year's Senior Class is the last of it's kind here at Banks High School — after they graduate, the school will be totally alternative with students coming from all over the city.

This year's Seniors Who's Who shows every aspect of our Senior Class — everyone chosen is perfect in his or her category. And, as you go on to college, marriage, or right into the working force, remember these poems by Robert Frost —

Nothing Gold Can Stay

Nature's first green is gold,
Her hardest hue to hold.
Her early leaf's a flower;
But only so an hour.
Then leaf subsides to leaf.
So Eden sank to grief,
So dawn goes down to day.
Nothing gold can stay.

The Road Not Taken

Two roads diverged in a yellow wood,
And sorry I could not travel both
And be one traveler, long I stood
And looked down one as far as I could
To where it bent in the undergrowth;

Then took the other, as just as fair,
And having perhaps the better claim,
Because it was grassy and wanted wear;
Though as for that the passing there
Had worn them really about the same,

And both that morning equally lay
In leaves no step had trodden black.
Oh, I kept the first for another day!
Yet knowing how way leads on to way,
I doubted if I should ever come back.

I shall be telling this with a sigh
Somewhere ages and ages hence:
Two roads diverged in a wood, and I —
I took the one less traveled by
And that has made all the difference.

Underclassmen

The Junior Class represents a new era at Banks. They have brought with them a new dedication to scholastic achievement and the determination to be the best they can be. These goals have resulted in improved grade point averages and a greater thirst for knowledge. We are proud of our Junior Class and look forward to the contributions they will make as the leaders of the Banks student body in 1988.

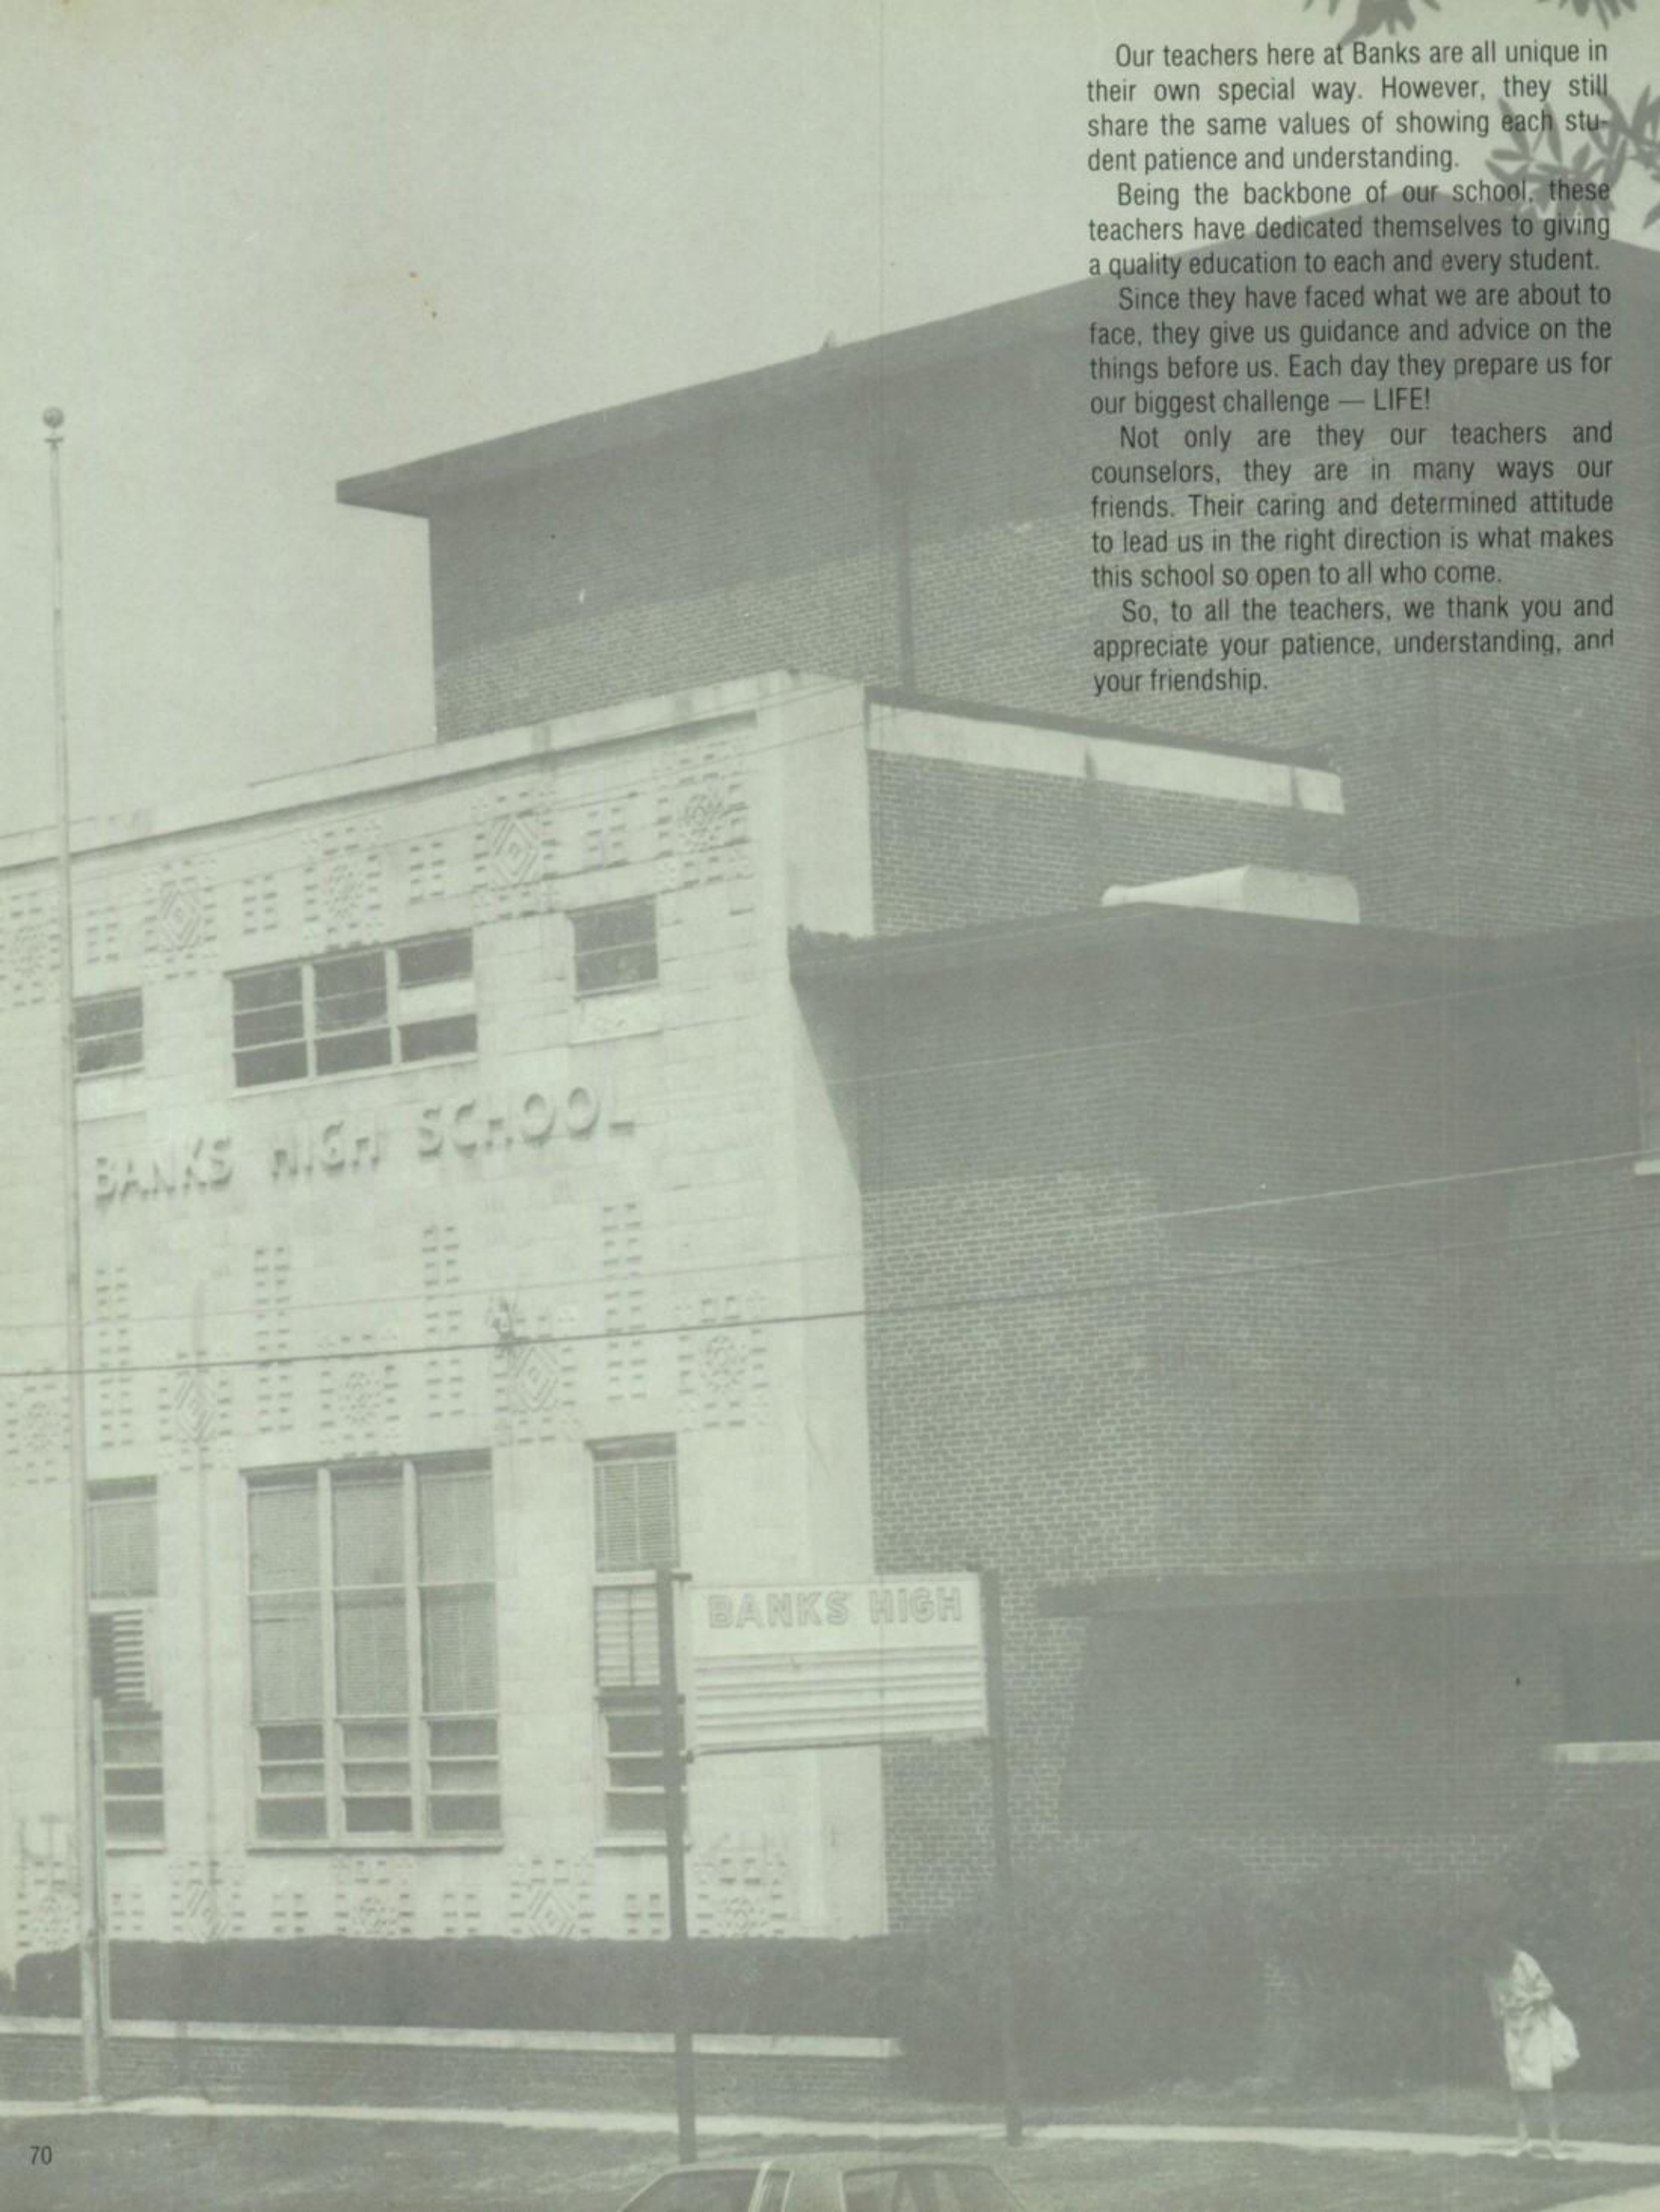
Our teachers here at Banks are all unique in their own special way. However, they still share the same values of showing each student patience and understanding.

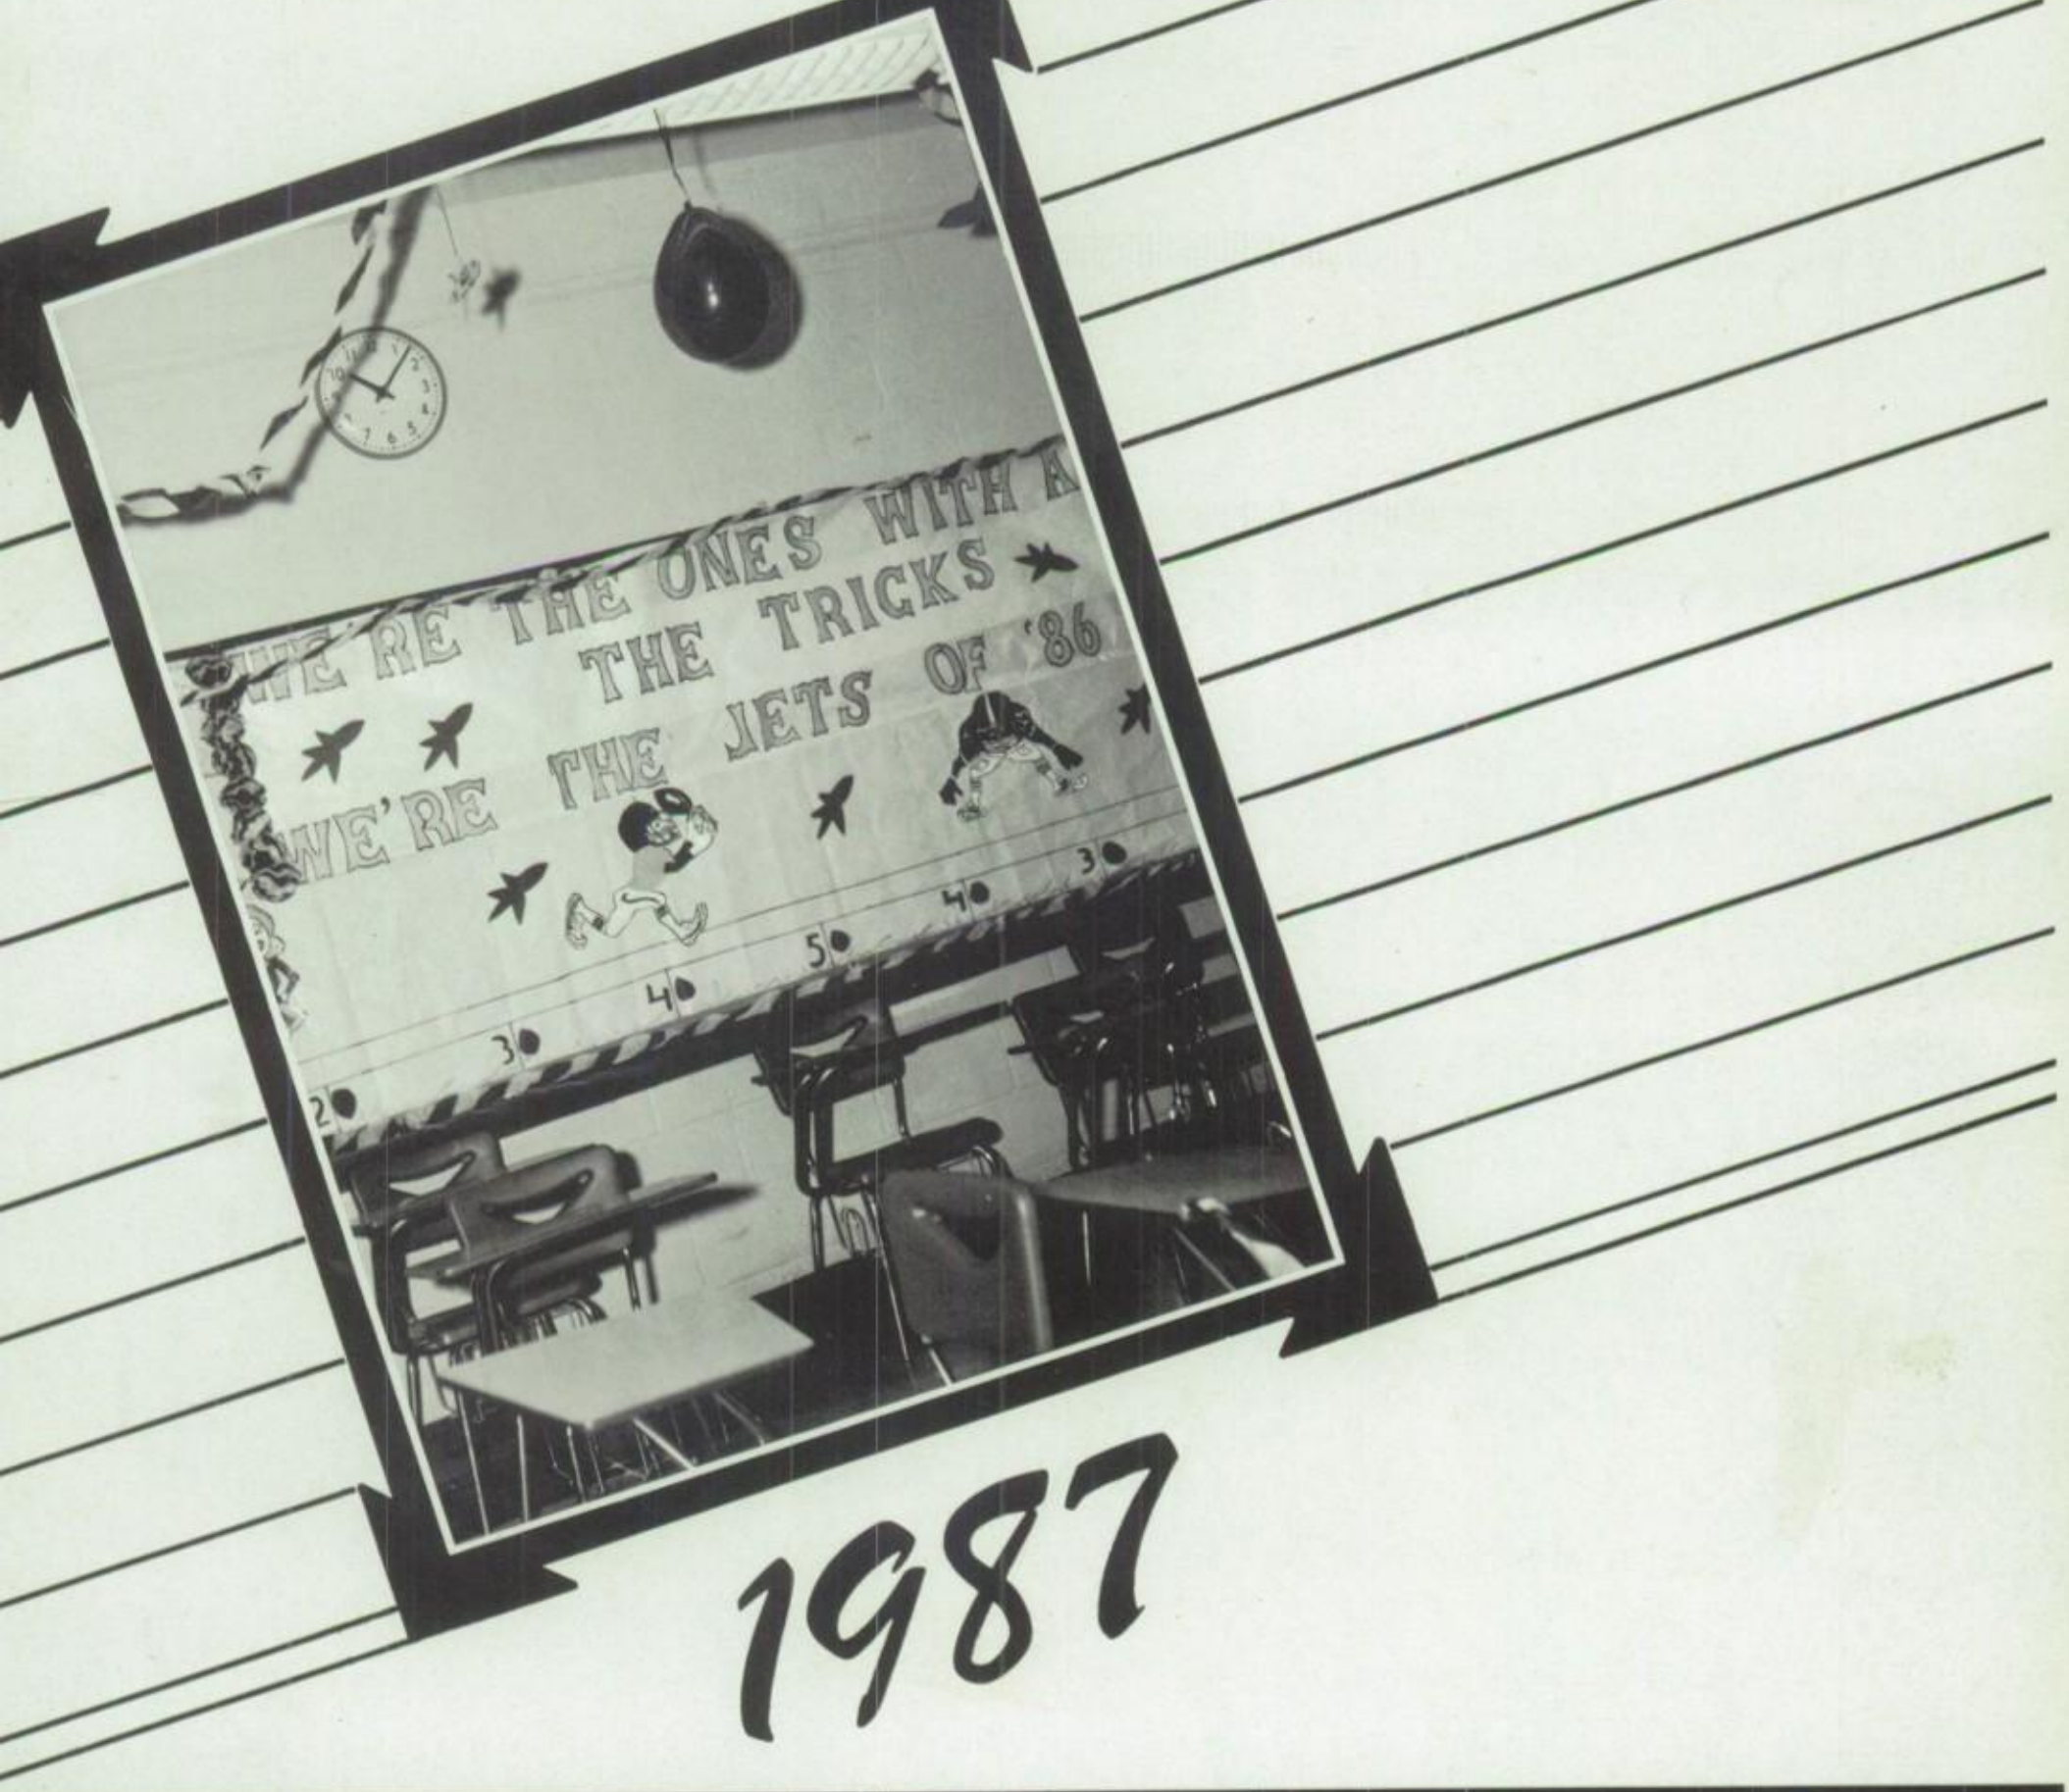
Being the backbone of our school, these teachers have dedicated themselves to giving a quality education to each and every student.

Since they have faced what we are about to face, they give us guidance and advice on the things before us. Each day they prepare us for our biggest challenge — LIFE!

Not only are they our teachers and counselors, they are in many ways our friends. Their caring and determined attitude to lead us in the right direction is what makes this school so open to all who come.

So, to all the teachers, we thank you and appreciate your patience, understanding, and your friendship.





1987

Student Life

Student Life at Banks High School is exciting, unique, and funfilled. Each day is different; bringing friends together to pep rallies, sports events, and special activities. Yelling and dancing in main hall, having your teacher yell at you in class and having to borrow your best friend's books are all a part of what student Life at Banks is all about.

VARSITY CHEERLEADERS

Ms. Airhart

1986-87 VARSITY

The Banks Varsity Cheerleaders have accomplished a lot this year. They started off the year as camp champions at a Universal Cheerleading Association camp at the University of Alabama. They won every category in which they participated.

During August the Banks Varsity Cheerleaders taught a clinic of 112 girls from Huffman ball park. They also won the Century Plaza Spirit Day competition. Then they went on to a competition at the Galleria and placed second.

After all of the competitions were over the cheerleaders took a short break and then started practicing for the Regional Competition. After many hours of very hard practicing the day finally came of the competition and the Banks Varsity Cheerleaders walked away with a 4th place out of 28 squads represented. CONGRATULATIONS

B-TEAM CHEERLEADERS

Mrs. Collier

The 86-87 B-Team had a great year! It started off with a first place trophy in the J.V. division at a U.C.A. clinic at the University of Alabama in June. After a short vacation they helped with a clinic for Huffman Park cheerleaders and taught a clinic for South Roebuck Park cheerleaders. To get the basketball players fired up, B-Team decorated their lockers. The year '86 ended with a second place in the J.V. division at U.C.A. regional competition in December at U.A.B.

The 1986 Banks Jets

Coming off a year's probation, the Jets start the 1986 season with high hopes and expectations. For the second year in a row, Banks started off with a new head coach, the third head coach in four years. A new coaching staff and football system, not to mention one of the toughest schedules in Class 5A with nine of their ten opponents making the State Playoffs. Being one of the smallest teams on Class 5A, the Jets knew they were in for a tough season. Although plagued with injuries through most of the year, the Jets kept up their high spirits and continued to show pride and class every time they stepped on the field. Banks finished the season with a disappointing record of 3-7-0, but with the respect of many people and opposing teams.

Holt

Banks goes into Holt a one point favorite. The Jets outtotaled the Ironmen 210 yards offense to 116 yards. Banks was led by Isaac Mendenhall with 119 yards rushing on 16 carries and 1 touchdown. Holt scored with 8:17 left to play and faked the extra point for a two point conversion which gave them the lead and the game.

Ensley

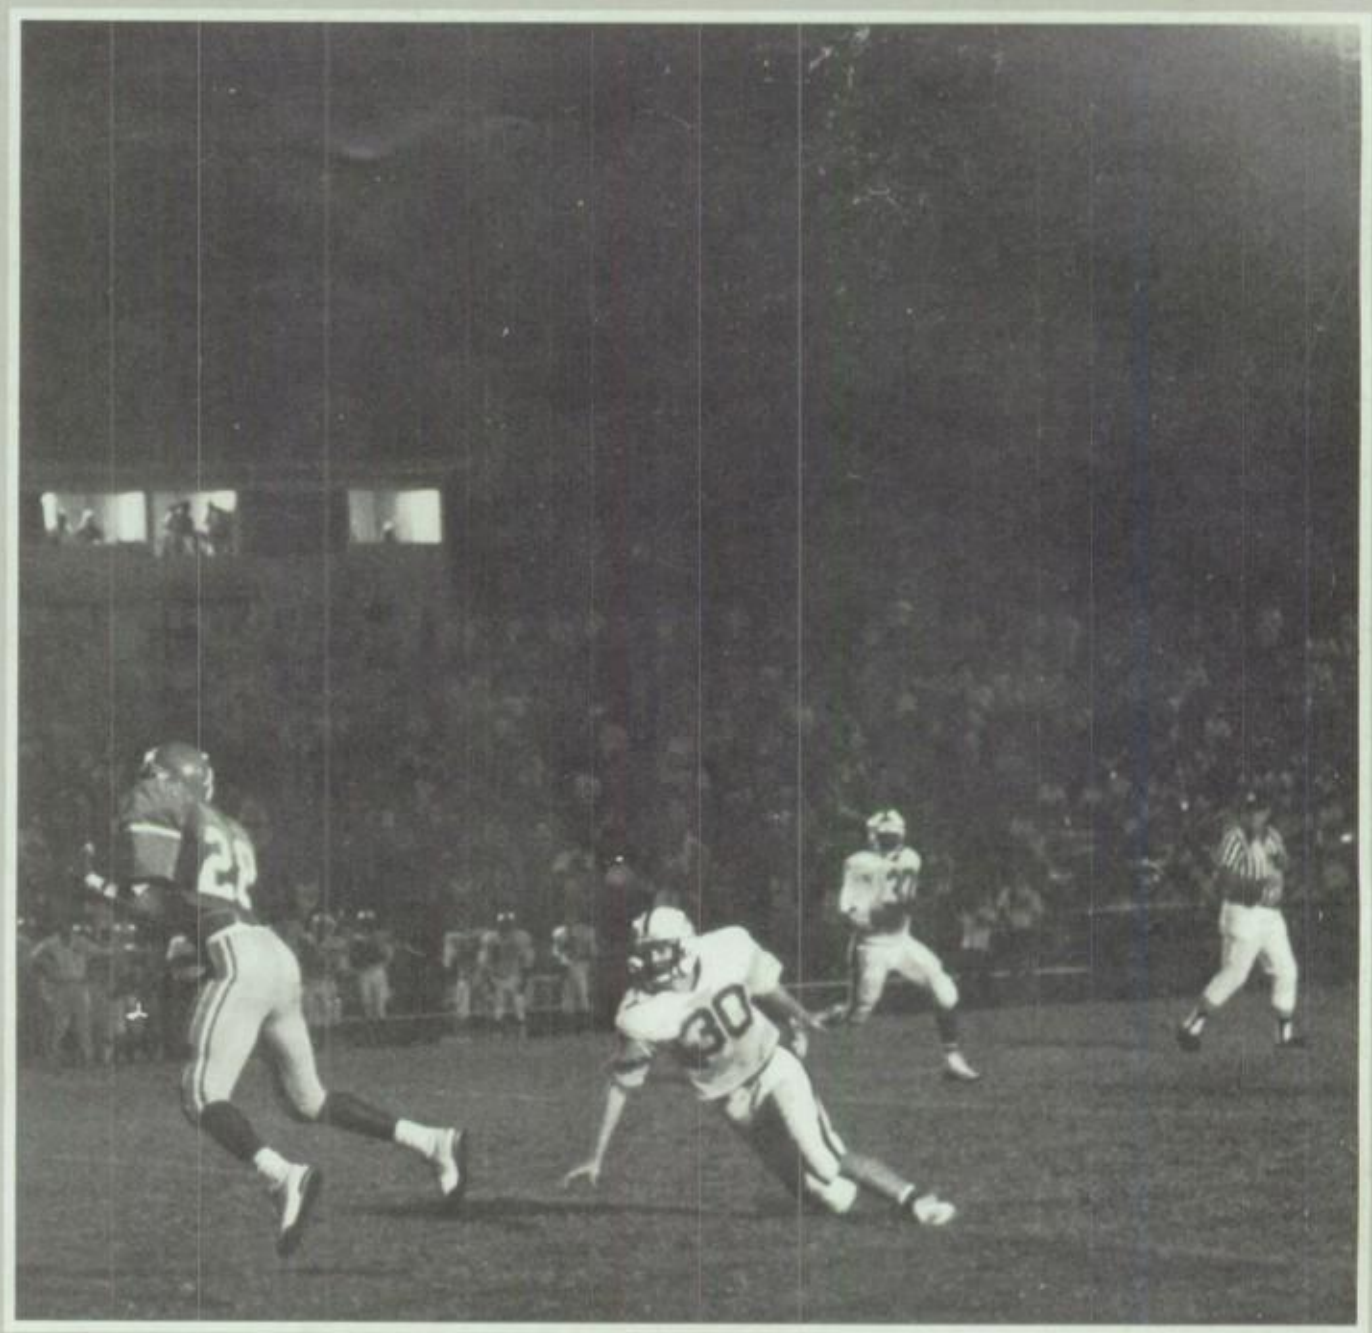
The second game of the season matched up Banks and Ensley. Banks, a seven point favorite, led 18-0 at halftime. Isaac Mendenhall had two touchdown runs of two and three yards. Willie Pledger had an eleven yard fumble recovery and returned it for a touchdown. The Jet offense just couldn't get going in the second half, as Ensley picked away at the lead. With ten seconds left and an 18-13 point lead, Banks was forced to punt. The "Big Play," once again, resulted in Banks' second loss, as Ensley returned the punt 54 yards for the final score of the game 21-18.

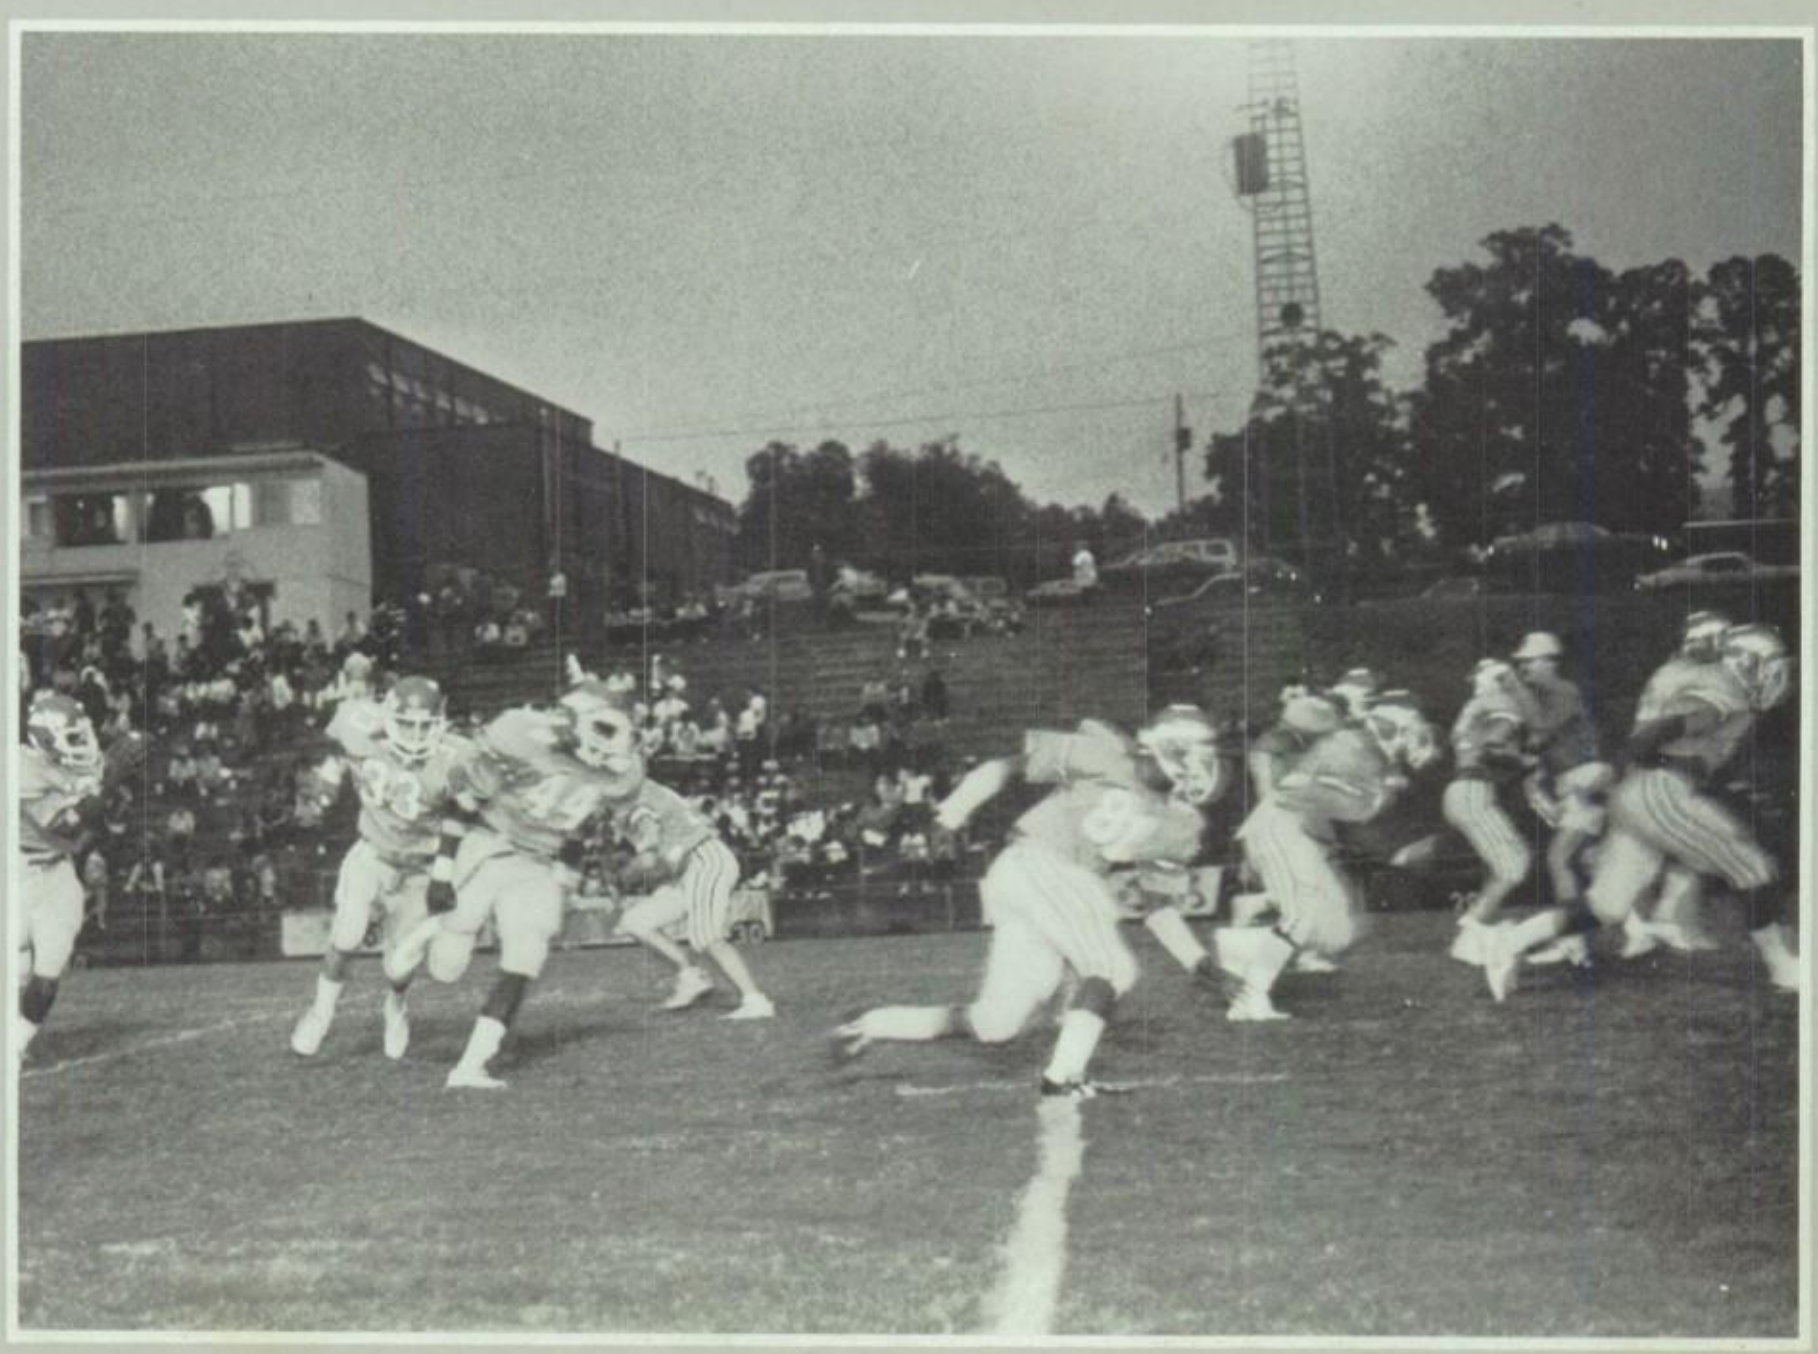
Huffman

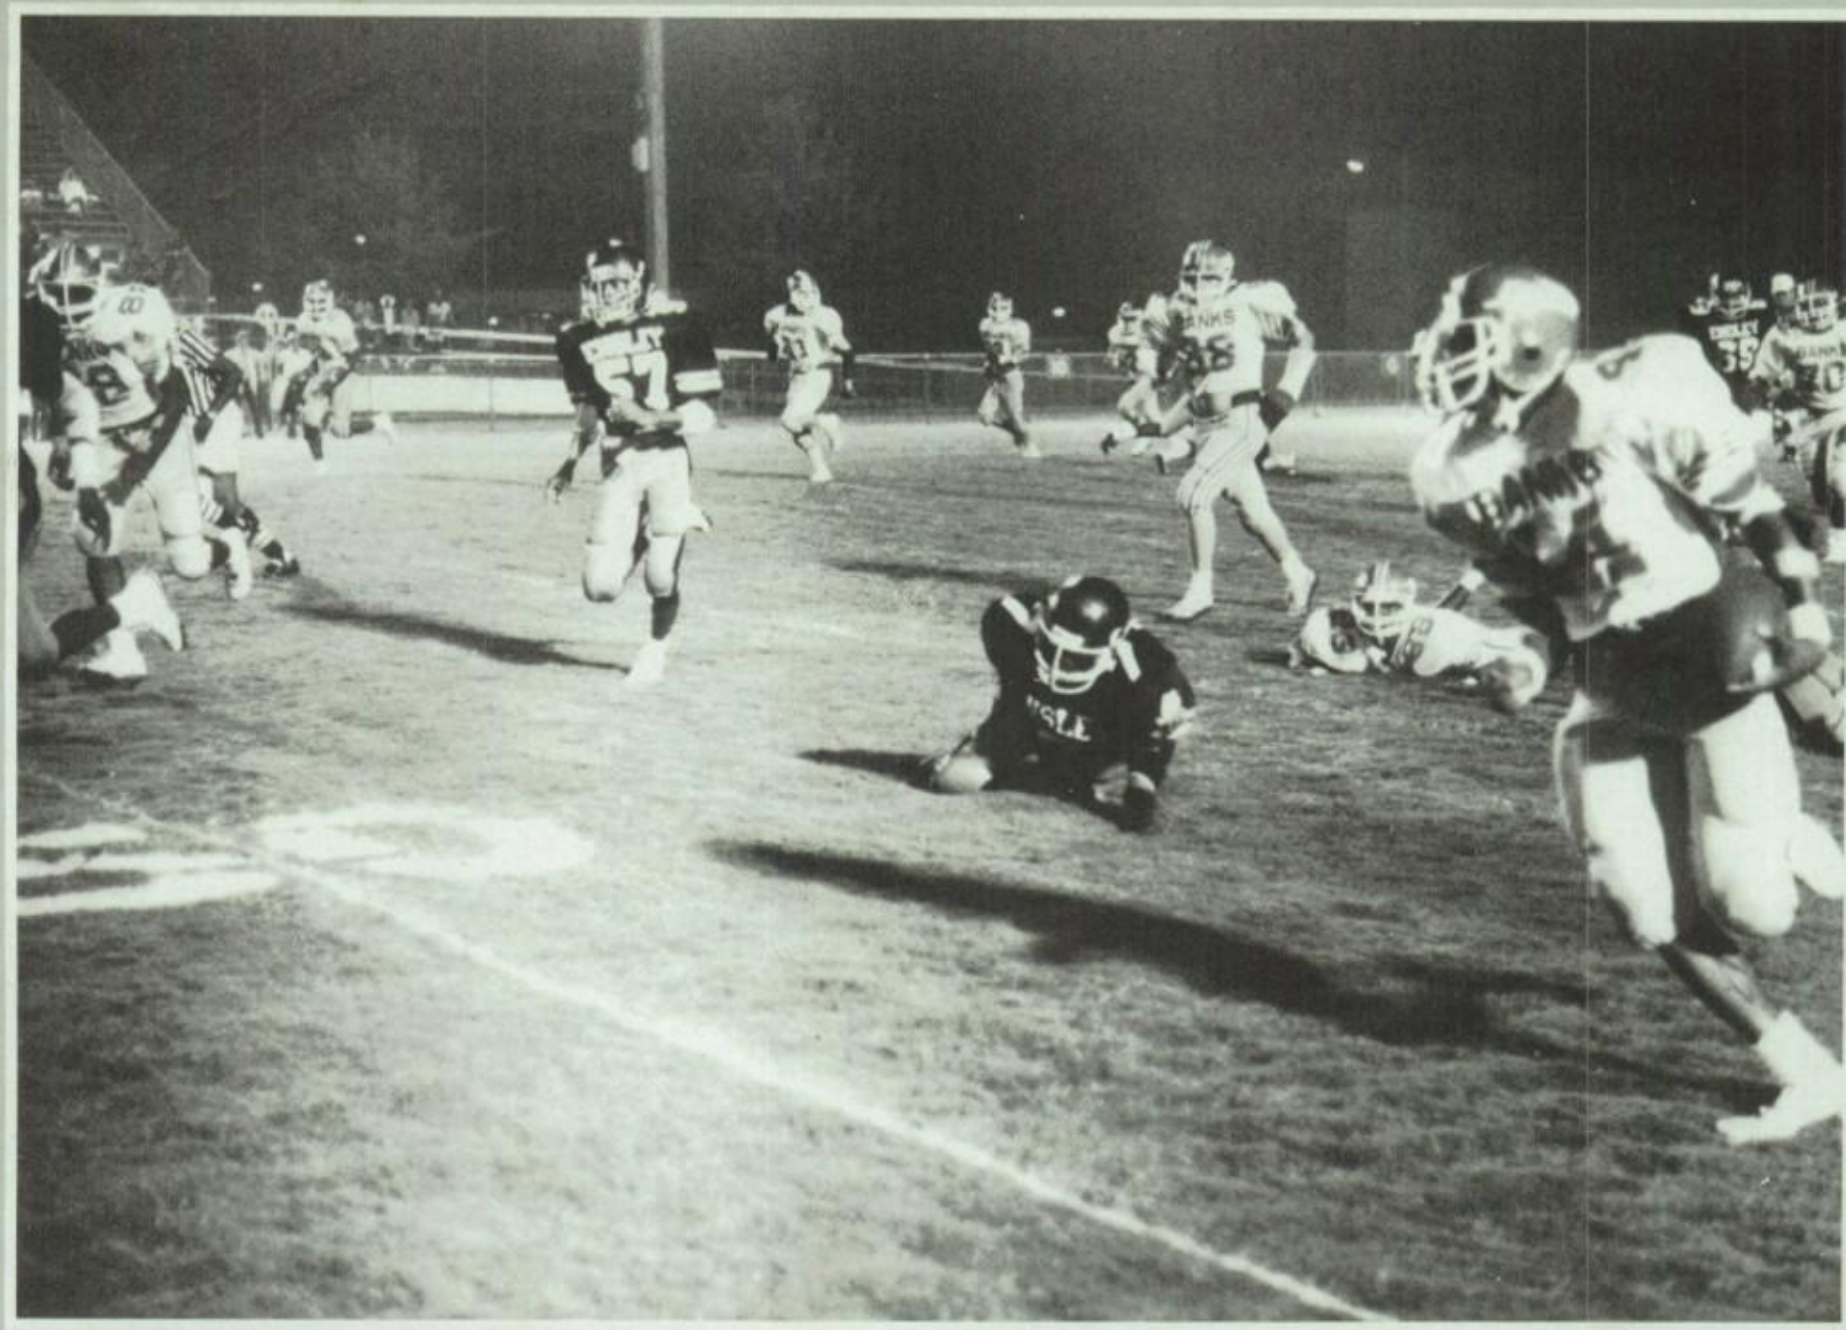
Banks goes into the third game of the season a five point favorite against their Arch Rivals, the Huffman Vikings. Both teams looking for their first win and bragging rights for the year. (Banks leads the series 12 wins to Huffman's 4.) The Jets started off strong with an interception returned 31 yards for a touchdown by Bruce Cook. Huffman answered with a touchdown drive of their own to make the score 7-6 at the half. Huffman widened their lead early in the third quarter making the score 14-6. Woody Salter closed the gap in the fourth quarter with a 20 yard field goal to make it 14-9. Banks allowed Huffman to score again making it a twelve point margin. The Jets mounted an air attack late in the quarter, but came up short as time ran out, giving Huffman the win, 21-9. This game earned Bruce Cook a place in the Birmingham News Amateur Honor Roll. He recorded 13 tackles, 3 quarterback sacks, 2 interceptions with one returned 31 yards for a touchdown.

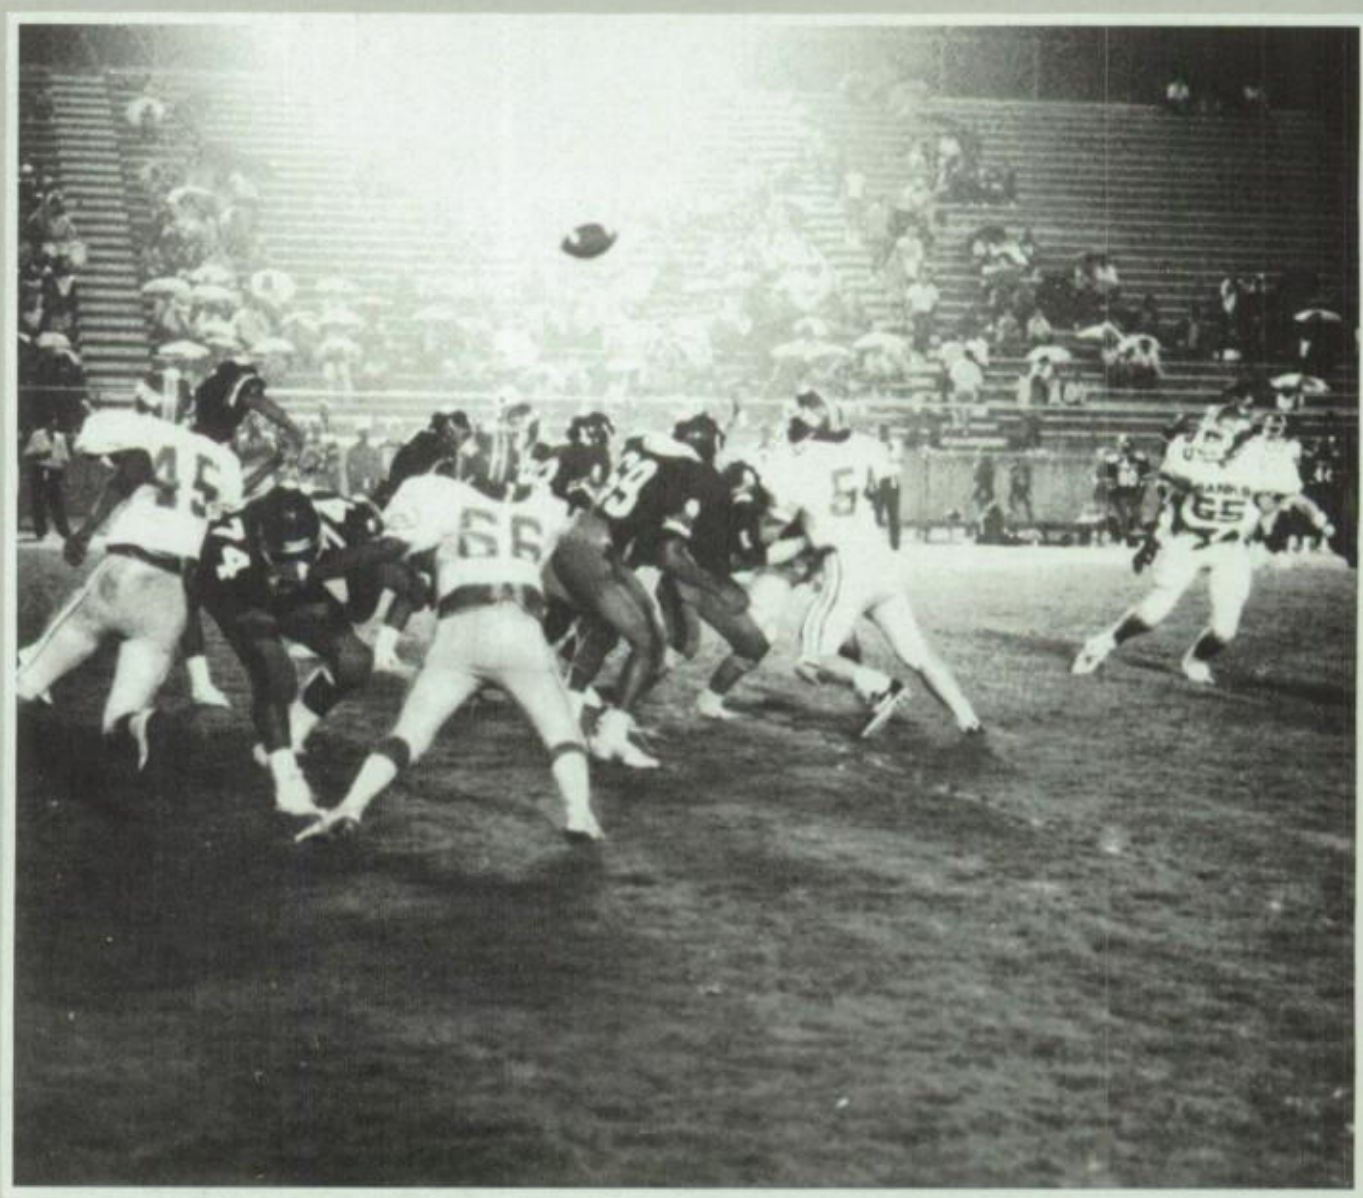
Woodlawn

The Jets, now 0-4, went into their Homecoming game versus Woodlawn a one point favorite. Though plagued with injuries the Jets were able to "Pop the Colonels" for the fourth year in a row. Led by the 138 pound Sophomore running back, Dewayne Mosley, who gained 100 yards. Woody Salter who booted two field goals of 35 and 22 yards in the first half, which proved to be all the points they needed as the Jet defense took over. Led by Mike McClinton (15 tackles), Bruce Cook (11 tackles), Mike Strickland (10 tackles) and a swarming secondary who held the Colonels to 44 yards total offense. This game earned Head Coach Ricky Brown North East Metro Coach of the week.







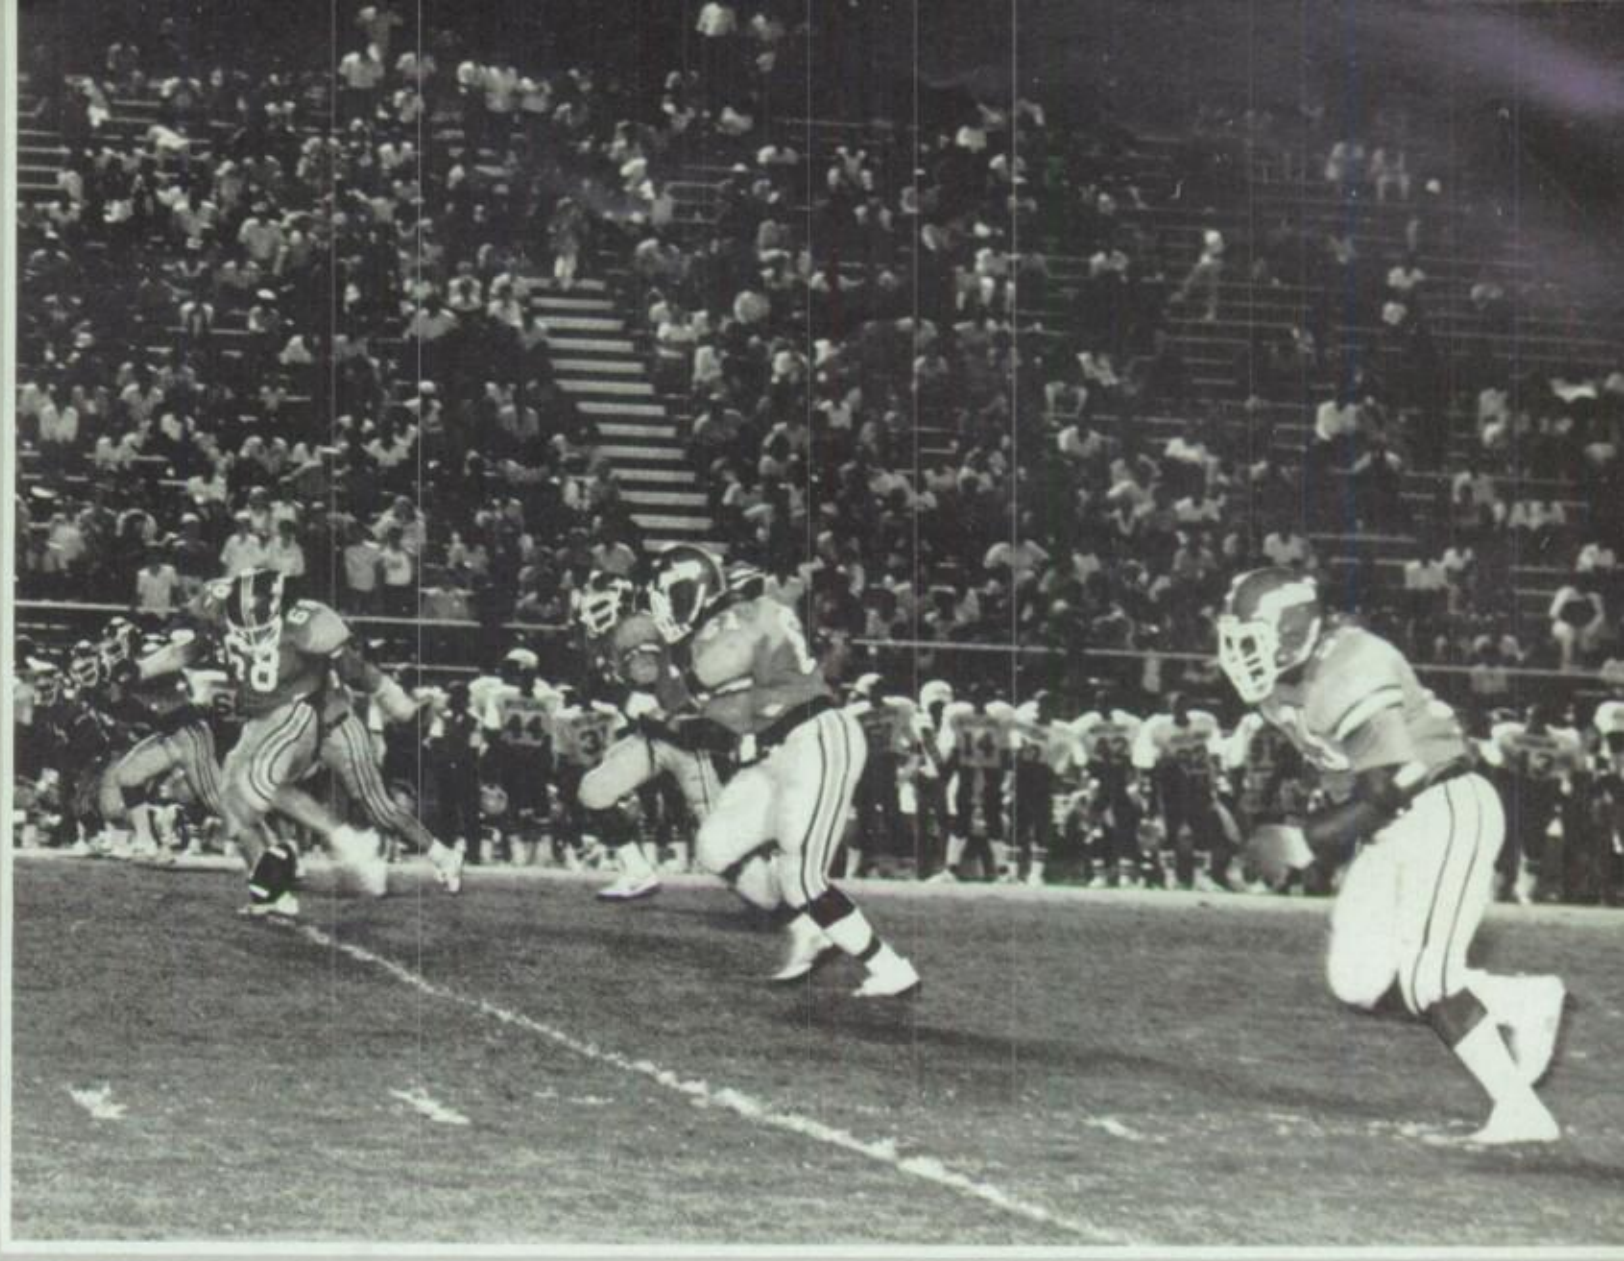


ss Lanier

The Jets riding an emotional high from
eir Homecoming victory prepared for the
venth ranked Purple Tigers which ended
the class 6A State Runner-Up. The
ger defense proved to be just too much,
nding Banks its only shut-out of the
ason. Jess Lanier opened the scoring in
first quarter with 21 quick points. That
oved to be all they needed because the
cond, third, and fourth quarters proved
be a defensive struggle. The Jets were
by Mike Strickland with 17 tackles,
d Stacey Bates with 10 tackles.

nson Valley

Even though the Jets were facing some
ugh times, they were still hoping to
ke a play-off spot. Being picked to lose
a young Pinson Valley team, Banks won
air-raising football spectacle to ruin the
lians' Homecoming. Pinson Valley
ored early in the first quarter, but the Jet
ense retaliated as Frank Pierce ran in a
e yard touchdown, making the score 7-
Later on, Woody Salter kicked a 26 yard
d goal, but before halftime Pinson
ckly got into field goal position to boot
ield goal to end the half at 10-10. But
Jets were determined to make the
yoffs a reality as Paul Filasek ran 70
ds for a touchdown. Yet again, the In-
ns scored making it 17-17. As time was
ning out, the Jet offense took charge
it moved down the field. With only 15
conds left, Frank Pierce threw a 20 yard
ss to James Dial to set up a last second
d goal. With only three seconds left in
game, Woody Salter kicked an 18 yard
d goal to win the game 20-17.

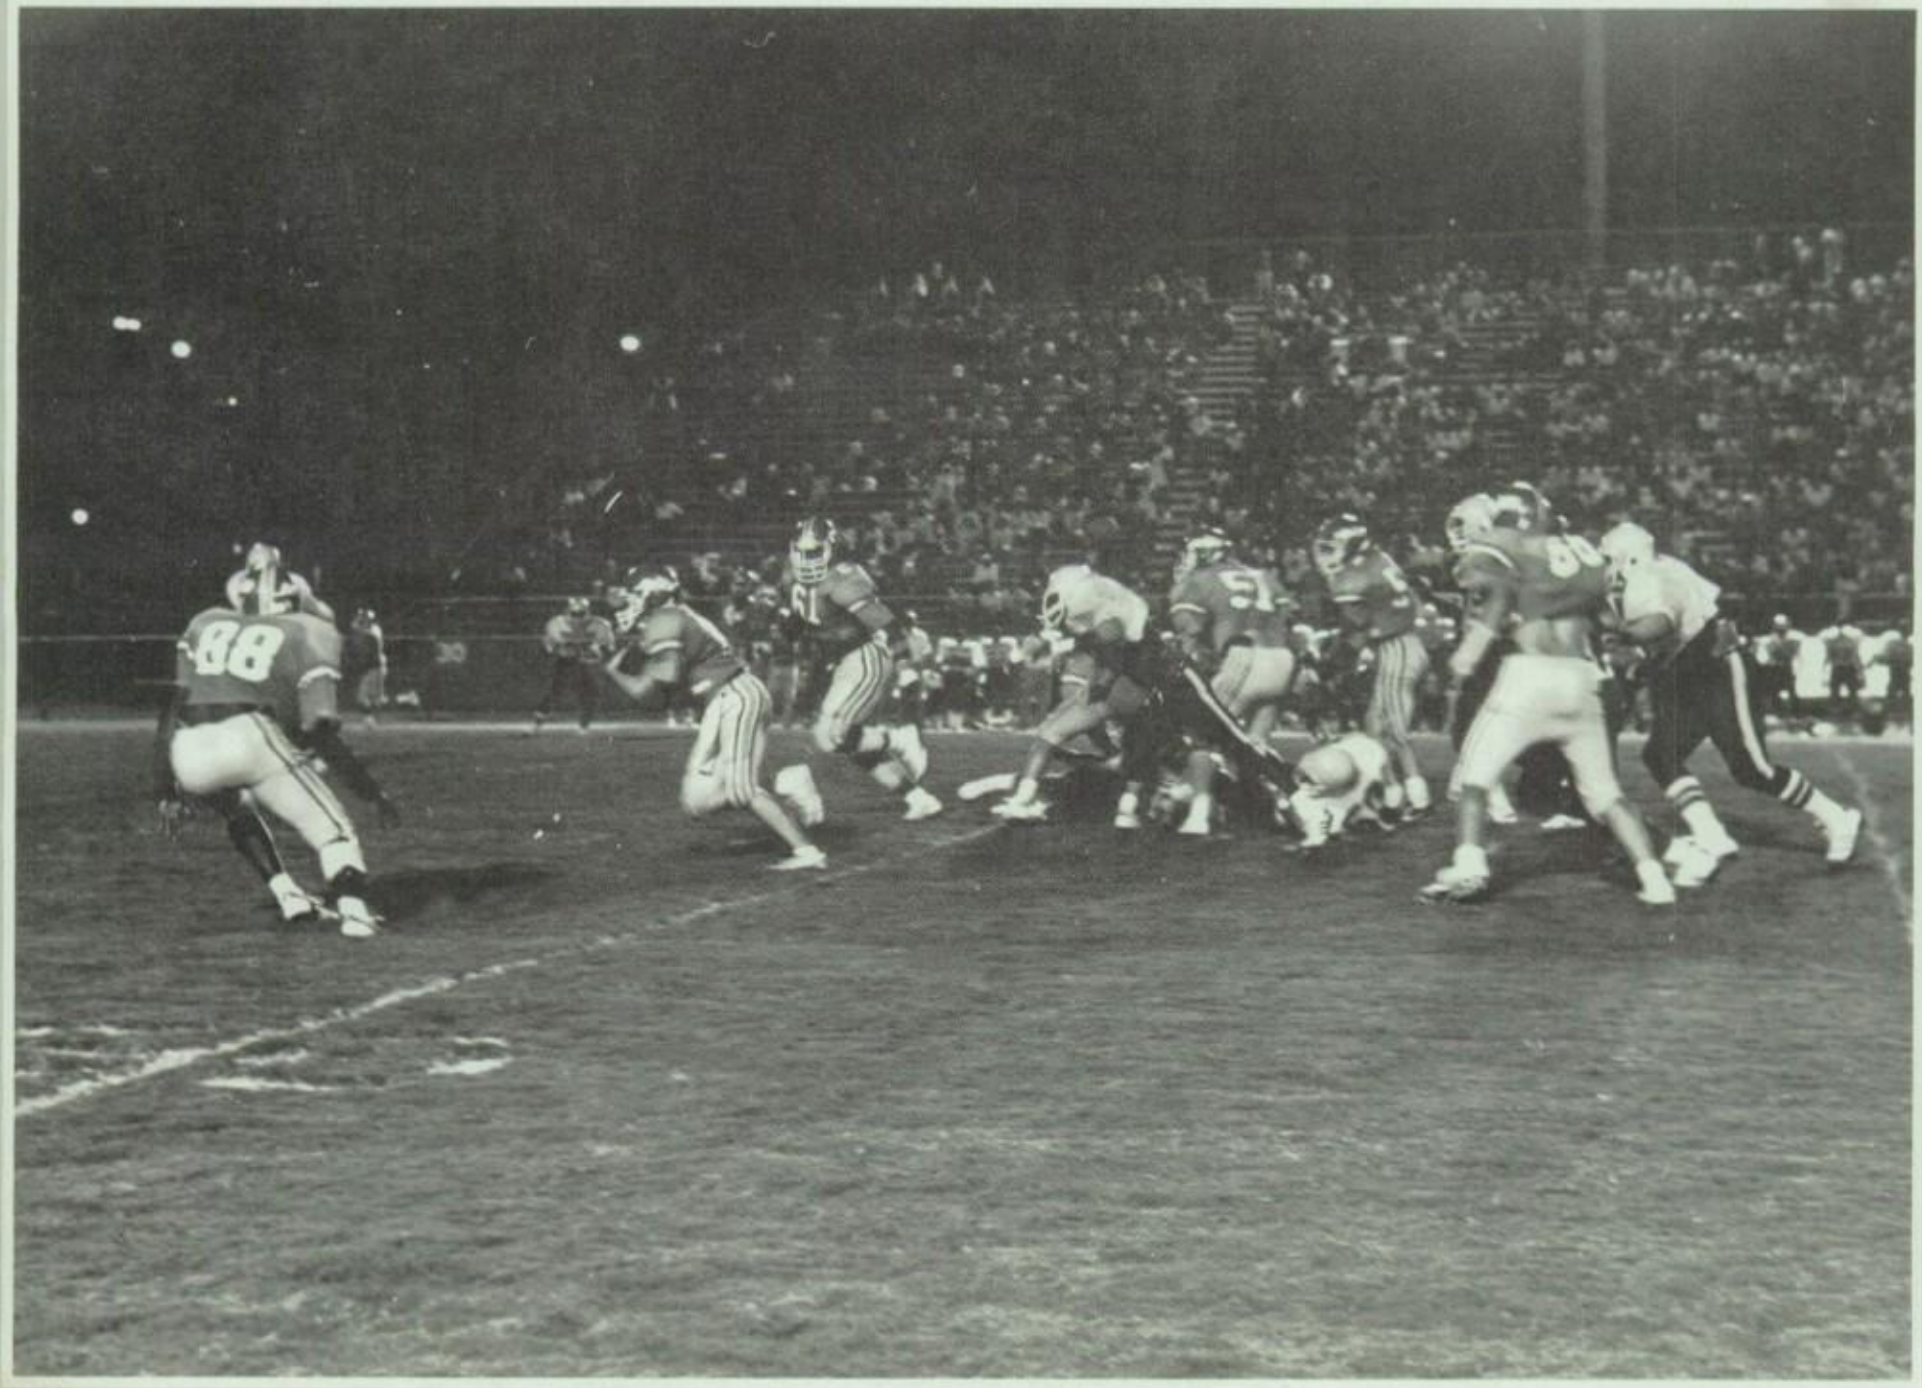


Pell City

It was a hard fought 1st half, which left Ban behind 14-6. The Second half wasn't any better f the Jets, as the Panthers compiled 20 more points make it 34-6. The Jets fought hard, managing on one more score in the final quarter. Banks was led Frank Pierce and Charles Haslem, who connected passes of 9 and 28 yards, both for touchdowns. T Jets were led defensively by Bruce Cook (16 tackle Mike McClinton (11 tackles) and Stacey Bates (tackles).

Gardendale

Banks goes into the 9th game, fired up and ready play as they host the Class 5A (#1 Ranked) Garde dale Rockets. On this rain filled night, neither the Je nor the Rockets could get any offense going. The on score of the game was set up by a very controversi play, on 3rd and 8, the Rockets go for their longe completion of the night and get it as a pass, whi seemed to fall incomplete, was ruled to be complet This call stifled the Jets and before they could rega their composure, the Rockets were able to score t only touchdown of the night. The Jets were led defe sively by Charles Haslem (2 interceptions), Bru Cook (17 tackles), Mike McClinton (16 tackles), Ste McClinton (15 tackles) and Stacey Bates (10 tackle This combined effort just wasn't enough as Ban lost a close one 8-0.



Jones Valley

It's Oct. 31, Halloween night, the Jets are bound for Fair Park Arena, to play the Brownies (Jones Valley). Banks, a 7 point favorite, fell behind in the 2nd quarter 6-0. The Jets score was set up by Charles Taylor, who deflected a pass, and Mike Strickland who intercepted it and returned it to the Brownie 5 yard line. Mendenhall, who rushed for 74 yards, scored the only Jet touchdown as he went in from the one. Salter's kick with 15 seconds left in the 3rd quarter, was all Banks needed, as they won the game, spoiling the Brownie Homecoming, 7-6. This game earned Steve McClinton the North East Lineman of the Week. He led the Jet defensive with 10 tackles and 2 quarterback sacks.

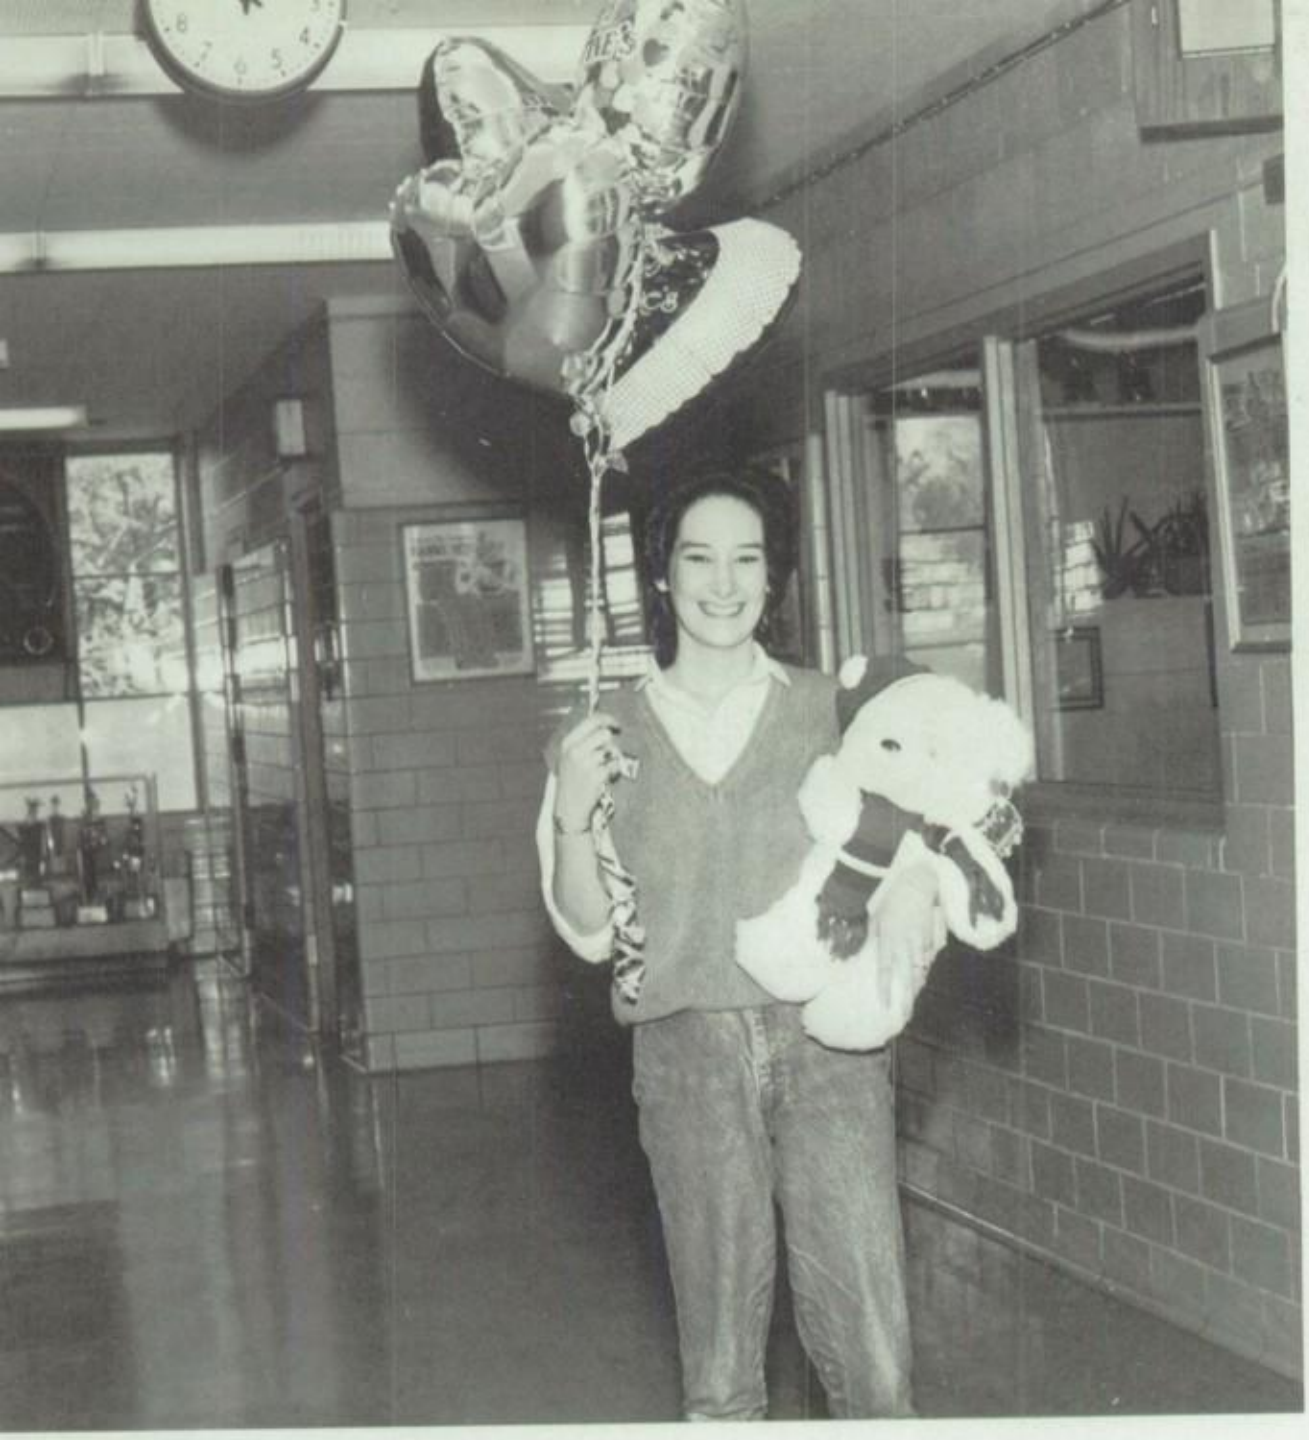
You have not dreamed of —
wheeled and soared and swung
High in the sunlit silence. Hov'ring
there,
I've chased the shouting wind
along, and flung
My eager craft through footless
halls of air



Up, up the long, delirious, burning blue
I've topped the wind-swept heights with easy grace
Where never lark, or even eagle flew —
And, while with silent lifting mind I've trod
The high untrespassed sanctity of space,
Put out my hand and touched the face of God.

The American Association of Orthodontists recommends a first visit to an orthodontist by age seven. The results of orthodontic care are often enhanced by early treatment. In a growing patient the orthodontist may be able to redirect facial growth to help correct jaw alignment and position of teeth.

Few parents realize that facial growth, particularly in the case of girls, is virtually completed before the teens. A visit by age seven allows the orthodontist to monitor growth and select the best time for treatment. All too often, a child is brought to an orthodontist too late to take advantage of growth.

It is unwise to leave the problems of children or adults untreated. They may become worse in time. Severe orthodontic problems can lead to loss of teeth, discomfort and anxieties over one's appearance. Treatment by a member of the American Association of Orthodontists can bring jaws, teeth, lips and face into proper balance, thereby improving both facial appearance and function of the teeth. When appearance is improved, people generally feel better about themselves and have more self-confidence. The resulting improved self-esteem may favorably influence the individual's future.

Members of the American Association of Orthodontics are skilled specialists who, after becoming dentists, successfully complete at least two additional years of continuous education in an orthodontic program approved by the American Dental Association.

Teeth are meant to last a lifetime. The earlier you visit an orthodontist, the better your chances are of achieving the most favorable results.

For a free brochure, additional information, or a list of qualified orthodontists in your area, please write: The American Association of Orthodontists, 460 North Lindbergh Boulevard, St. Louis, MO 63141.

Is there a best age for orthodontic treatment?

ALABAMA — AUBURN PEP RALLY

The Auburn team won with a final score of 7-0, but most of the attention was focused on Mr. MacMahon, wearing his Georgia sweater holding a hose. The final moment came when the men's game came about. The fans screamed and yelled as they watched the Alabama team defeat the Auburn team 7-0.

1986 SPRING-IN-REVIEW

May 24, 1986, was officiall called "Jam Day." Student came to school wearing the "jams," and Hawaiian attire t get in the spirit for the footba jamboree versus Berry Hig School.

A pep rally was held outsid on Jet Field to cheer on the foo ball players, but when th following night came, the Berr Bucs nipped the Jets 9-7 in two-quarter game.

1986 SPRING-IN-REVIEW

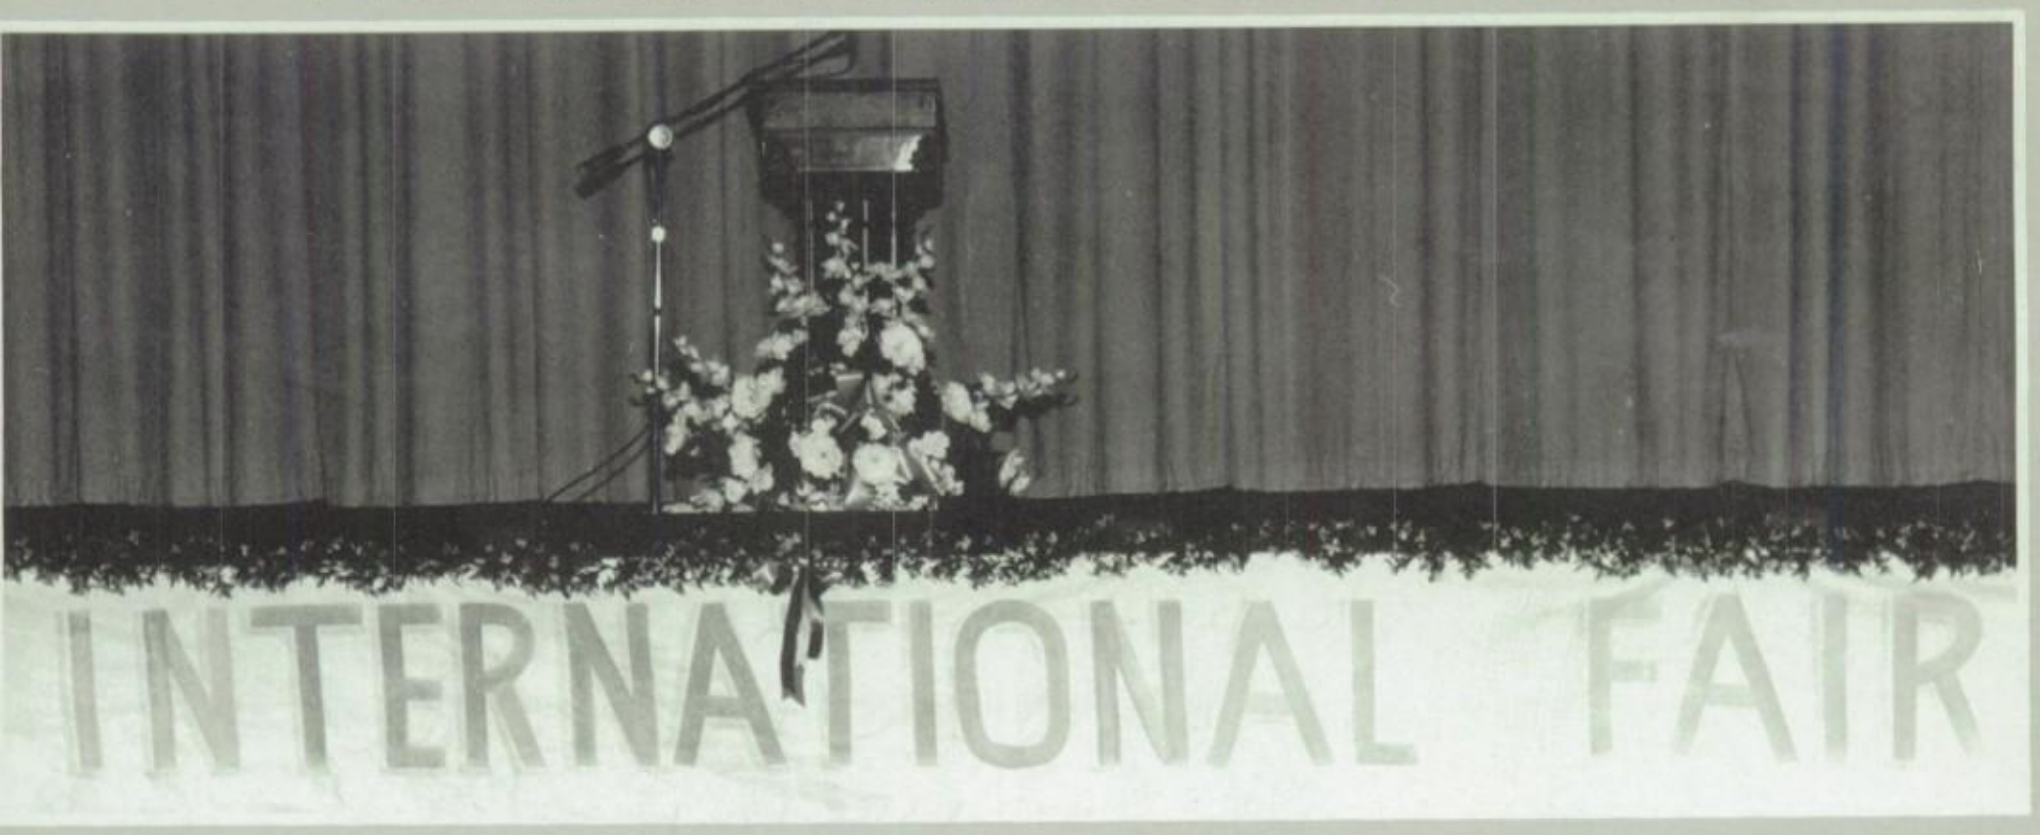
"Town Crier" Norman Roberts from Leicester, England came to visit Banks to explain what he did, and that was crying out in public the announcements of the day that had any importance whatsoever.

Other annual spring events occurred, such as the day annuals were given out to the students, and the Latin Club's Roman festival.

But there was no other festivity more exciting and more talked about than the School Prom, which was held May 21, 1986, at the downtown Holiday Inn.

1986 SPRING-IN-REVIEW

THE 1986 INTERNATIONAL FAIR

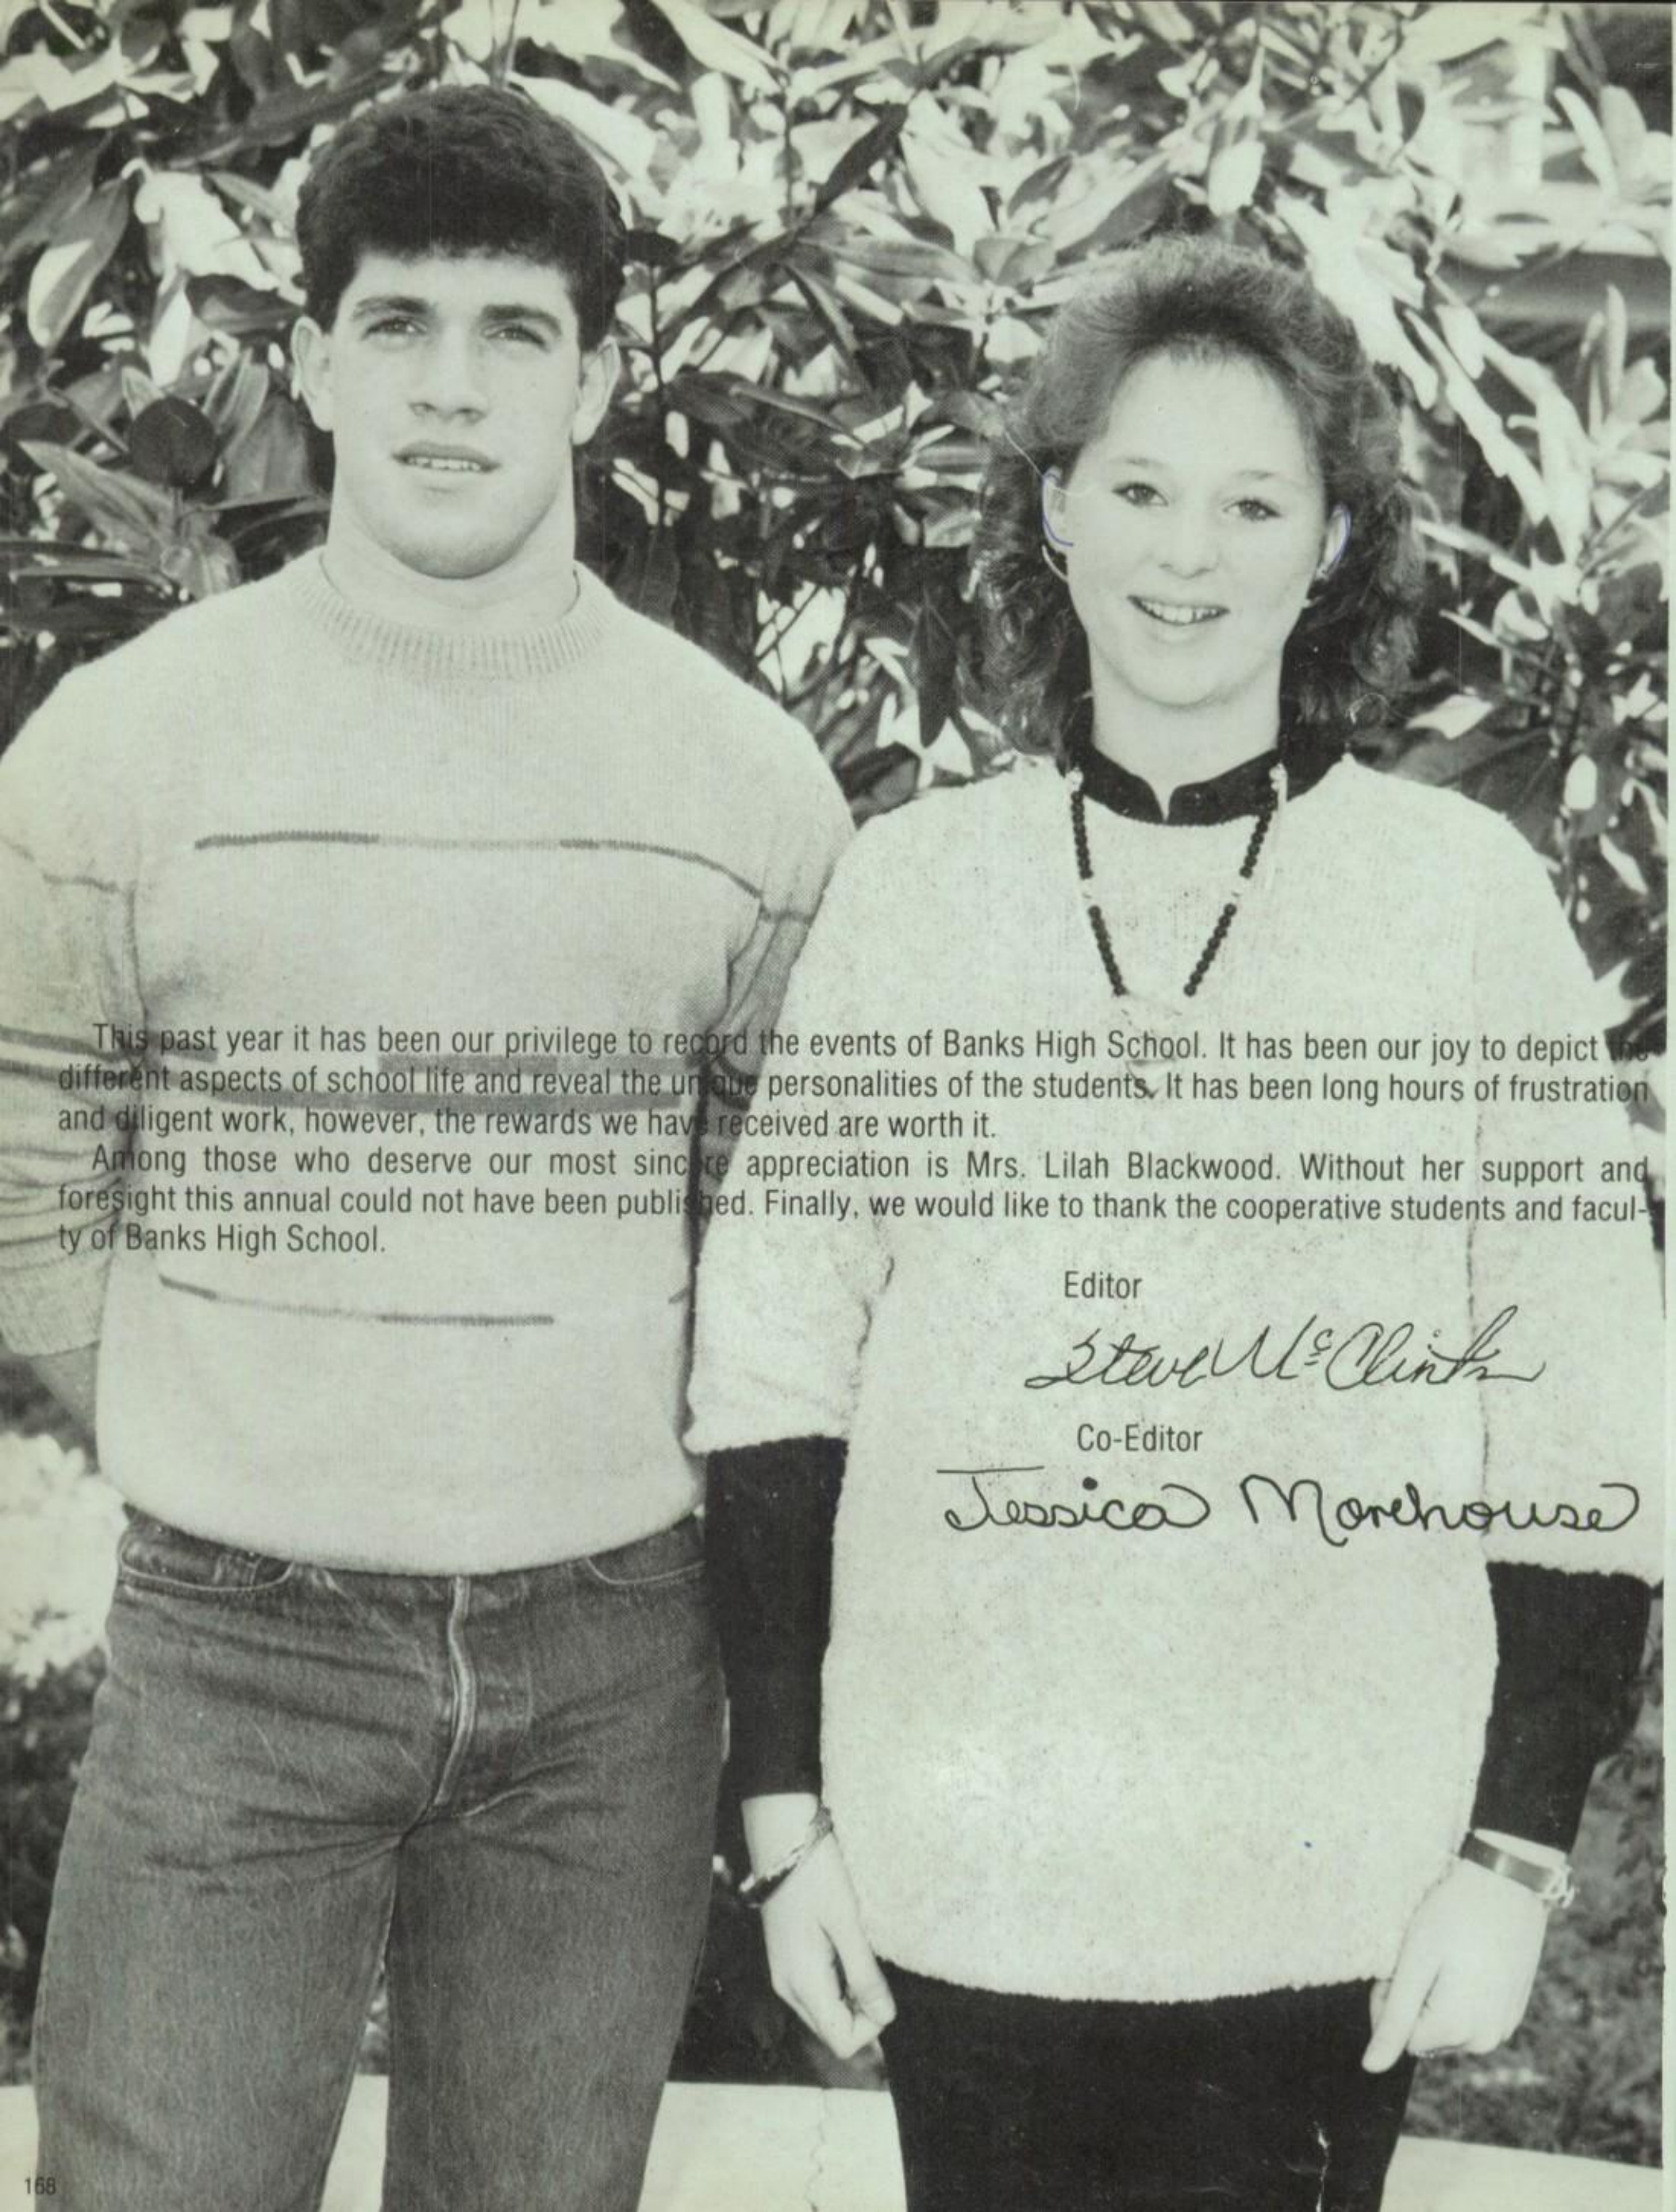


The 1986 International Fair proved to be a great success! We were introduced to Indian culture and dress. Spanish headdress and Mexican pinatas. We were given a taste of Greek baklava, Japanese, sugar-coated seaweed and German pastries.

For those who were interested in active participation, there was weight-lifting, volleyball games and dancing.

The event was topped off with an International Parade that inspired us all.

We are looking forward to next year's festival with eager anticipation.



This past year it has been our privilege to record the events of Banks High School. It has been our joy to depict the different aspects of school life and reveal the unique personalities of the students. It has been long hours of frustration and diligent work, however, the rewards we have received are worth it.

Among those who deserve our most sincere appreciation is Mrs. Lilah Blackwood. Without her support and foresight this annual could not have been published. Finally, we would like to thank the cooperative students and faculty of Banks High School.

You are the BEST! friend ever!! This year has definitely been a prosperous year for the both of us. We have grown so close this year, and it is for the best!! In time, I have come to really love you as my own sister, and to me, you will always be my true friend!! Through all our good times and bad, our new and everlasting friendship has blossomed to something that will always stand out in my memories of my Junior year. I hope that throughout our "Senior" year we become as close as two friends could possibly become. I wish you a great and memorable Summer because after the Summer of '87 we will be the...

A person who I haven't known long, but can truly say that she is that nice, sweet, friendly person anyone would like to know. Alicia I am glad that I did get a chance to know you, because you have truly made my year here at Banks pleasant. (unlike some people). I want you to know that our friendship was not just for this year, because you have to put up with me your Senior year to. (smile) H.A.H.A.S

HOPE ALWAYS, Keita 90

Lisa,

I'm like Wendy cause you didn't give me your book to sign either but I took it anyway. Its been nice knowing you even though its been too long. Last year I finally said the other side of Alicia Webb and I admit its definitely not the same Alicia I met at South East Lake. I know you probably mad right now because I passed the line you drew, but too bad. (smile)

Good luck with your future endeavors. I'll always be there for you no matter what. Remember whenever you need someone to talk to or cry on ... I'm always here for you. What's up? Well its about that time for us to hang up another school year in the records its been a very long time but we put it together finally and we can't let nothing break that apart anymore. You finally got me to admit that I always loved you but I was so stubbard that I wouldn't admit to it but your kindness made me regret all of what was said and done but know you & I know that the love we share is so very true.

So what ever you don never ever let me or don't let me find out that you have forgotten those intriqui moments we have share together over the year we have been together. Alicia I love you so much that words can't speak my exact thoughts but I can't let that stop me know. I never thought I would fall in love with a beautiful young lady such as yourself. But guess what I was wrong so you can't fault a man for his wrongs. As you will always know yours will be that special person I will never forget because still and always will forever love you. Always thinking about

Dear
We had
made it through
another year. This
has been a year that
will always be a part of
my life. You became a very
dear friend, a person who
could always come to. You moved
here never believed the things that
you helped me to overcome. Through
this year I came to realize how
much friendship meant to me.
We have grown to be mature and
had a better outlook on life. I
now also learned a lot from our
friendship. Hopefully, the upcoming year
will be a bigger success for both
of us. Thinking next year we
will be Seniors, and ready to
head for college. Looking forward
to that makes it all worth
the while.

Love always,
